BECAUSE WE CARE!

Our aim is to be as much as possible environmentally aware in all our centres, in summer and off-season. Therefore, we organise our trips with public transports and organise common transfers whenever possible. We advise all students to moderately fill their plates during mealtimes as it is always better to take a second time than having to throw away and wasting food.

WHAT WE EXPECT FROM OUR GROUP LEADERS DURING SUMMER SEASON

- Supervision of their students according to age (under 16y/o's are not allowed to leave campus unattended, please see supervision concept on our website) which includes:
- Wake up and night checks
- check your students attendance for lessons, activities and trips
- attending assemblies and TTT (time to talk)
- participation in daily group leader meetings with Centre Manager (to be agreed in the centre)
- disciplinary actions when students are breaking rules (e.g. smoking, drinking, etc)
- reporting any damages or misbehaviour to Centre Manager

WHAT WE EXPECT FROM OUR GROUP LEADERS DURING OFF SEASON

- We would like you to be at school before the students' first lesson, in case of any absence;
- In order to prevent and deal with any kind of issue that might occur during your stay, you need to arrange a time slot for a daily meeting with the Centre Manager or Operations Manager;
- We expect you to help us out with the safeguarding and supervision of your group. This includes among other that you attend the excursions and activities planned with the school, help our staff with wake ups and night checks etc.;
- If you want to make any change in the programme, or take the students out for dinner, please inform your referent at school with at least 24h notice and fill in one of the disclaimer forms that you can find in your welcome pack;
- We need you to be the first point of contact for your students and an intermediary between them and the person in charge of your group at school. Your CM/Operations Manager will be available any time and we do expect the same from you;
- We need you to ensure that your students know and follow our rules and regulations;
- Group Leader are not allowed to bring their children to school if they are not booked as a student in the programme.
